**Uniforms:**

Equipment you will needed:

Baseball glove

Gray pants

Socks

Molded cleats (no metal cleats)

No Jewelry during games

Jerseys and hats will be provided

Majors. Minors, Coach Pitch will have a black jerseys this year.

T-Ball each team will have a different color jersey.

Each Team should have one manager (head coach) and at least one assistant coach, along with one team parent and one scorekeeper. **Send me those names email address, and phone numbers so I can enter them into team sidelines.** Team parents and coaches will have administration access to edit your team sites.

**Team Sidelines:** All communications will be done through team sidelines. Do not use a group text, 100 problems come with that. Your roster, practice schedule, game schedule, and all other important information will be sent through your team site, on team sidelines. Additionally, Rainouts, cancelations, schedule time changes and more. You can add friends, and family to your team site so they all know what's going on and can support your team. You can send messages, chats, post pictures, post events and more. Please down load the app so you can access the information on your mobile devices.

**Opening Day will be Saturday May 13<sup>th</sup>**, approx. 10 AM to 1PM. With that said, we need your help with planning and running this event. Please keep checking on the Baseball home page for agenda items we need.

**Baseball Home Page** on Team sideline: I have a lot of information posted on our Baseball web page. Keep checking there for more information.

**All Team Parents:** we will have a meeting sometime after opening day regarding team parties and trophies. TBA. You will be responsible for your teams communication through your team site. Organizing the team basket, solving Uniform issues, organizing rides if needed, team party and trophies.

This is a 100% volunteer organization, please volunteer for your hours that you agreed too at registration. We will send a link to sign up for snack bar, and field prep once we make our game schedules. We have to have game schedules first, so please be patient. Please send me an email if you have any questions.
